

SPLIT SHEET

When you collaborate on a song, whether online or in the studio, it's crucial to agree on the songwriting shares (or "splits") each co-writer will own.

Our split sheet template offers a simple and effective way to document this agreement, ensuring everyone is aligned when your song is released and begins generating royalties.

**Publishing Royalties are Distributed
Based on Ownership Percentages**

WRITERS SPLIT CONFIRMATION

Dated as of:

Dear Gentlepersons:

This is to confirm that we, the sole writers of the composition listed below (the“Composition”), hereby agree between ourselves to the following writers’ divisions:

Composition:

Writers	Splits %

The writers confirm that the Composition contains no samples, interpolations, replays, or third-party copyrighted material (“Sample(s) If a copyright claim arises due to Sample(s), our shares in the copyright or royalties will remain unaffected unless we are responsible for incorporating them.

This letter can be signed in counterparts, and your signature below will indicate your agreement of the above
